LAUREN ELDER

Nashville-based designer Lauren Elder and her team create timeless, collected interiors. With projects spanning Los Angeles, Sarasota, and beyond, they oversee custom builds, remodels, and full furnishings with exacting care. They partner with leading builders to craft textured, story-rich homes that feel beautifully and authentically lived-in.

EMILY NICOARA DESIGN STUDIO

A quiet moment layered with history and texture sets the tone of the entryway in Project 1994. Soft plaster walls frame a 17th century tapestry, while the marble top - salvaged from an old bakery rests on reclaimed mine legs. The custom "Nara" handrails add sculptural movement, grounding the stairway in artistry, craftsmanship, and story.
